SCHOOL INFORMATION

Speakeasy is Barcelonas leading low-cost Spanish school. We specialise in high quality, intensive Spanish courses at affordable prices.

Speakeasy Spanish School is located in the very centre of Barcelona, close to Plaza Catalunya. The school is surrounded by shops and restaurants and has fast access to 3 central Metro stations and over 25 bus lines.

The classrooms are spacious and all have air-conditioning and heating. Our group sizes are never more than 10 students. Our students come from all over the world and you can often find 5 or 6 different nationalities in each class. Most of our students are from 20 to 25 years of age.

We use a communicative and practical approach to learning Spanish. The objective of the vocabulary, grammar and pronunciation that you learn is to be able to communicate in the Spanish language in an effective way. The Spanish courses are immersion classes, which means that all the teaching and textbooks are in Spanish.

We start beginners courses twice a month. If you are above beginner level, we can offer you a free level test, and then you usually can start any Monday.

Students have free all day access to 4 Internet PC's with a high speed ADSL connection.

PRICE INFORMATION

Payment is always in advance. Payments cannot be split. It is not possible to upgrade to a cheaper total price. If you are already studying at the school and you want **extra** weeks, please ask at the reception for the price.

We accept payment by cash, credit card, or bank transfer to our Spanish bank.

1 hour of class = 55 minutes of class and 5 minutes break. Break times are combined to make one break in the middle of the class in the 4 hour & 3 hour a day courses. There is no break in the 2 hour a day classes.

On public holidays the school is closed and students lose this day. One public holiday per 4 week period is included in the prices for periods of 4 or more weeks. If there are 2 public holidays in a continuous 4 week period, then we will refund or replace 1 day of class.

We do not refund for student illness or absence. Please see our terms and conditions regarding advance cancellations.

FAQ

Are the teachers native speakers?

Yes. They are Spanish citizens and qualified teachers with experience. All teaching, books & materials are in Spanish.

How many students are there in each class?

Maximum 10 students. Never more.

What is the teaching method?

We teach communicative Spanish. Classes consist of a mix of grammar, conversation and exercises.

Can I have a free trial lesson?

No. It disrupts the class and is not fair on the students who have already paid for a Spanish class.

So how will I know if the level is right for me?

You can take a free level test and then we will recommend a course.

Why is Speakeasy so cheap?

We are a low-cost school and offer quality classes at reasonable prices. We do not offer cultural classes or excursions, so you are not paying for anything that you do not use or need.

Does the school have free Internet access?

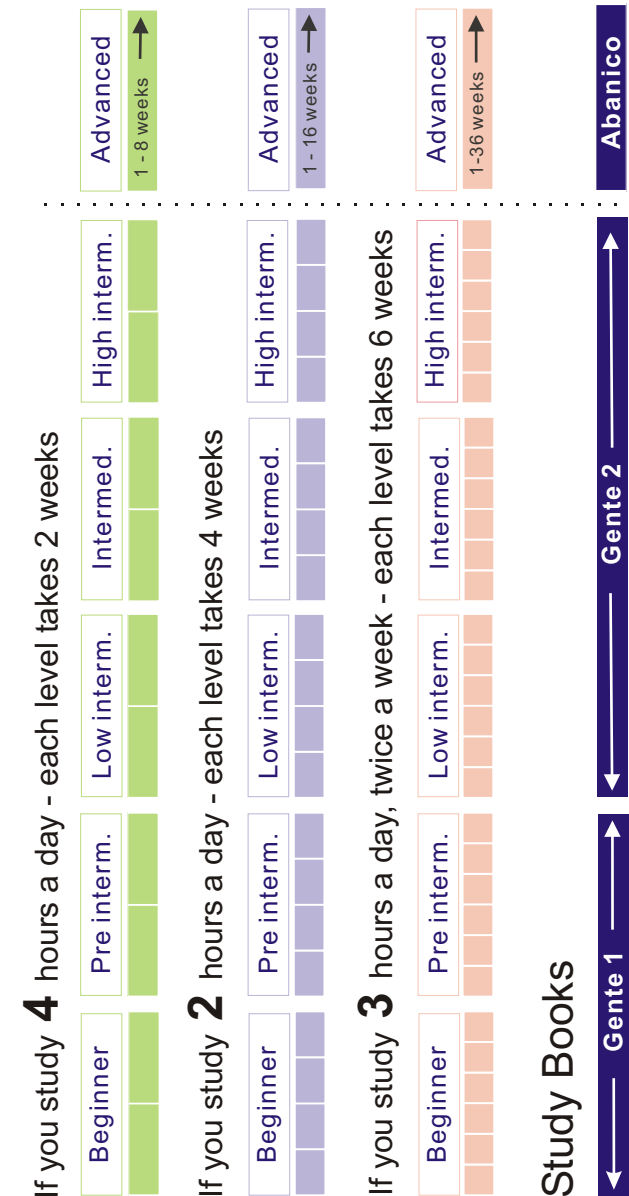

Yes. 4 PC's with high speed access, available from 08.30 to 19.00 Monday to Friday

Where do our students come from and how old are they?

We have a mix of nationalities and the average age is 23 years.

We recommend that you read the full FAQ section and our TERMS & CONDITIONS on our website.
